

I-91 Charter Oak Bridge Project

Road work with closure of Reserve Road in Hartford from 9/19/2022

Roadwork on Reserve Road beneath the Charter Oak Bridge will begin on Monday, September 19, 2022. The road work beneath the Charter Oak Bridge is necessary as part of the I-91 Charter Oak Bridge Project.

ROAD CLOSURE AND DETOUR INFO

A portion of Reserve Road in Hartford, under the Charter Oak Bridge, will be closed to thru traffic from Monday, September 19 at 6:00 AM, for approximately two months. Detours will be in place to bring travelers to Reserve Road destinations north and south of the closure.

- **Access to Regional Market and Fresh Point** will be maintained, but will only be accessible from the Maxim Road Intersection.
- **Access to Charter Oak Landing** will be maintained, but will only be accessible from the Wawarme Avenue/Van Dyke Avenue/Reserve Road intersection.

The detour routes will be as follows:

From Reserve Road at Maxim Road intersection

- Head south on Reserve Road
- Right onto Maxim Road
- Bear left onto Brainard Road
- Right onto Airport Road
- Right onto Locust Street
- Right onto Wawarme Ave.

From Reserve Road at Wawarme Avenue

- Head west on Wawarme Ave.
- Left onto Locust Street
- Left onto Airport Road
- Left onto Brainard Road
- Right onto Maxim Road
- Left onto Reserve Road
